

Systems Support Engineering Division

"Quality to the Fleet"

Fleet Material Support

Item manager for all SPAWAR equipment programs providing no-cost C4I pipeline assets to fleet customers for catastrophic C4I failures and scheduled system replacement

- Assets obtained from ship decommissionings, base closures, and canceled programs are overhauled for fleet reuse
- Pipeline assets are distributed through the Navy supply system
- Work can be scheduled to meet ship's operating and maintenance schedule
- Pierside pickup and delivery are provided
